ROLLER & MIRAGE SYSTEM

**Vibe® Smooth Cassette is still available and in stock  
but the Senses 2 System is more economical**

**Vibe® Smooth Cassette - discontinued in 2023 (holding minimal stock)**

- Our Smooth system will be the secondary system moving forward due to pricing issues
- We have has a 31% rise in aluminium cost and a 20% rise in components in last 12 months
- On our new pricing it will now be more expensive than the Senses 2
- It is also less versatile so larger blinds should always be on Senses 2
- We will be deleting smooth later in 2023 or just hold a minimal stock
